

American Recovery and Reinvestment Act of 2009 (ARRA)

Project Certification

Program: Virginia Clean Water Revolving Loan Fund

Project City of Lynchburg/Randolph College Rainleader Disconnections

Description:

The disconnection of numerous rainleaders at Randolph College from the combined sewer system and the installation of rain barrels and rain gardens/bio-filters. The project will reduce inflow and associated combined sewer overflows and treat the stormwater through rain barrels and rain gardens.

Total Project Cost

\$ 466,150

ARRA Assistance Provided

\$ 360,619

I hereby certify that the above project has received the full review and vetting required by federal law and that the investment of federal and state funds in this infrastructure project is an appropriate use of taxpayer dollars.

This certification will be posted on the Governor's website and linked to the federal ARRA website www.recovery.gov
